

# Fund Utilization for Plan Year 2007

For Plan Year 2007, 10,374 active state employees utilized a flexible spending health care account for health-related expenses. Participation increased 25 percent from Plan Year 2006. The average contribution was \$1,107 per year, a 3 percent increase from the previous year. Table 6, below, outlines the total contributions made to flexible spending health care accounts by active state employees for the past ten years, in millions.
